

Acai Bio 70 g Doypack Superfoods Drasanvi

SKU: 032010107 EAN13: 8436578541683

Description

Acai is a very precious fruit. Only, it grows wild in a small area of the Amazon. For centuries, berries were known and consumed exclusively in the rainforest of South America. In this century, and at the hands of a study on the diet of the natives, the diverse properties of this fruit have been revealed. It is a food rich in anthocyanidins and vitamins. The sweet and sour taste of Acai makes it an excellent ingredient for preparing sauces, smoothies and desserts.
