Did you know...?

Pure defatted cocoa is a food rich in antioxidants, minerals and fiber, with potential benefits for cardiovascular and cognitive health. Furthermore, organic farming is an environmentally friendly form of production that preserves biodiversity and reduces the carbon footprint.

Combine it with your favorite ingredients!

Fruits, nuts, spices or protein powders to create endless personalized and nutritious recipes.

Chocolate Rice Cream based on Pure Defatted Cocoa from Sport Live Organic Farming is the perfect complement for an active, healthy and sustainable life!

Ingredients

Rice Flour (Gluten free) 87,7%, Pure defatted cocoa from organic farming 12,2%, Sweetener (Sucralose)

Directions

Instant reconstitution product. Mix water, milk or hot vegetable drink with 2 or 3 tablespoons of the product and stir. By altering the amount of liquid we can obtain the desired consistency and flavour, from a porridge to a smoothie. It can also be used as an ingredient in other recipes, such as pancakes and other desserts.
