Ingredients

, ,

Directions

Apply to the animal's fur and skin, previously moistened, and massage until foam appears. Rinse thoroughly with warm water. Repeat if necessary.

Presentation

Contains 250 ml

Cosmetic Table

Anionic surfactants, amphoteric surfactants, non-ionic surfactants, panthenol, biotin, hemp extract, aloe vera, rosemary essential oil, conditioning actives, chelating agent and preservative.

Warnings

For animal use only. Avoid contact with eyes and mucous membranes. Keep out of the reach and sight of children. Do not swallow.

Additional Information

Formulated with a pH adapted to dogs' skin.

Vitamins, antioxidants and ?-3 and ?-6 fatty acids in hemp balance the coat, stimulate coat growth and deeply moisturise the coat.

The biotin it contains strengthens the fur and promotes healthy coat growth.

Rosemary, as well as being a natural flea repellent, adds shininess, good smell and softness to the dog's fur.

Panthenol or provitamin B5 soothes the skin and is an important nourishment for the fur.

Aloe vera moisturises the fur and promotes its growth, giving it strength and shininess due to its high vitamin content. In addition to being gentle on dogs' skin and improving its nutrition, it has antiseptic properties.
