Warnings

For animal use only. Avoid contact with eyes and mucous membranes. Keep out of the reach and sight of children. Do not swallow.

Additional Information

Shampoo with natural ingredients, without added perfumes, for dogs with long, straight hair.

Formulated with a Ph adapted to the skin of dogs.

Argan oil is rich in essential fatty acids, providing great hydration to the hair of dogs, repairing, regenerating and revitalising it.

Silk hydrolysate, a must for long hair, moisturises, nourishes and smoothes. By forming a film on the fur, it prevents dehydration and keeps the fur silky.

Panthenol or provitamin B5 soothes the skin and is an important nourishment for the fur.

Lavender essential oil is not only a natural repellent against fleas and other insects, but also soothes, relaxes and provides a pleasant scent.
