Additional Information

Formulated with a Ph adapted to the skin of dogs.

The biotin it contains strengthens the fur and promotes healthy hair growth.

Aloe vera moisturises the coat and promotes its growth, giving it strength and shininess due to its high vitamin content. In addition to being gentle on dogs' skin and improving its nutrition, it has antiseptic properties.

Panthenol or provitamin B5 is soothing to the skin and is an important nourishment for the coat.

Oat extract helps to thicken and strengthen the fur, while gently nourishing and moisturising it.
