Presentation

Contains 60 tablets

Warnings

Do not exceed the expressly recommended daily dose; Food supplements should not be used as a substitute for a balanced diet; Keep out of the reach of young children. Store in a cool, dry place.

Additional Information

Its ingredients have been selected to act specifically on kidney function, supporting and improving it, as well as correcting imbalances resulting from a decline in kidney function.

Cordyceps sinensis is an ingredient to highlight in RenalGreen, as it is a fungus used in Chinese medicine that has many properties to support the health of dogs and cats with kidney problems and increase their energy.
