## Warnings

---

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

## Additional Information

---

### **Made with 4 sources of calcium**

Drasanvi's Oseogen® bones contains 4 different sources of calcium: calcium carbonate, calcium citrate, calcium phosphate and coral calcium.

### **Magnesium and calcium in citrate form**

Oseogen® bones contains essential minerals such as calcium and magnesium. We have added these in their citrate forms.

### **Coral calcium**

Of all the sources of calcium we have added, we want to highlight coral calcium which is extracted from reefs and shells. It is rich in calcium as well as other minerals that are important for healthy bones.
