

Alerphyt 36 Capsules Drasanvi

SKU: 032050048 EAN13: 8436044510571

Description

Alerphyt® is a food supplement that combines various vegetable extracts: Dwarf Everlast and Green Nettle, with Quercetin (a bioflavonoid which is a natural substance found in many fruits and vegetables) extracted from apples and red onions. It also contains Bromelain (from pineapples), N-acetylcysteine and Vitamin C. This excellent combination comes in capsules, and is suitable for vegans and vegetarians.

Ingredients

Quercitin 200 mg, Bromelain (1200 GDU) 150 mg, Casing (Hydroxypropyl methylcellulose), Green nettle dry extract (*Urtica dioica* L., 0,8% Sterols) 100 mg, Dwarf Everlast dry extract (*Helichrysum arenarium* (L), 3% Vitexin) 100 mg, Bulking agent (Microcrystalline cellulose), N-acetylcysteine 32 mg, Vitamin C (Ascorbic acid) 26 mg, Bulking agent (Magnesium salt of fatty acid), Anti-caking agent (Silicon dioxide)

Directions

Two weeks after spring has begun: 1 capsule a day, preferably after breakfast. During spring: 2 – 3 capsules a day after main meals. We recommend starting to take these supplements before the arrival of spring.

Presentation

It contains 36 vegetable capsules of 792 mg each. Total weight: 28,51 g (1 oz)

Warnings

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place. It should not be consumed by pregnant or breastfeeding women, or by children.
