Directions

Take 15 ml with breakfast and 15 ml at lunch using the dosage cup.

Presentation

Contains 500 ml (15.5 fl oz)

Warnings

Food supplement based on plants and minerals with sweetener.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place. Contains natural sweetener (steviol glycosides), extracted from the leaves of the Stevia rebaudiana Bertoni plant.

Additional Information

Patented mango extract IGOB131^{TM}

African mango is revolutionising the world of food and health. However, not all mangoes have the same properties. Drasanvi has chosen to include the IGOB131^{TM} mango extract, as it is the best of its kind and guarantees a minimum of 40% in polyphenols.

Specifically formulated for women over 40

There are many products on the market that contain ingredients such as Artichoke or Dandelion. However, the presence of Flaxseed with 20% SGC, which provides phytoestrogen, makes this special.

Stevia sweetener

Stevia is a plant that is sweeter than sugar and is naturally sourced.
