

Vitalpur Vitality Vials 20x15 ml Drasanvi

SKU: 032050081 EAN13: 8436044512421

Description

Vitalpur® Vitality is a food supplement whose main ingredient is royal jelly (750 mg). Royal jelly is a substance created by bees, nutritionally rich in vitamins, minerals, essential fatty acids and amino acids. To reinforce the effects of the royal jelly, we have also added cereal germ and beer's yeast. Vitalpur® Vitality does not contain any added sugars and instead uses the natural sweetener from the stevia plant.

Ingredients

Water , Royal jelly (HDA 4-5%) 2.000 mg, **Wheat germ dry extract** (Seed) (Contains GLUTEN) (*Triticum aestivum L.*) 700 mg, Beer yeast 300 mg, Flavour (Orange flavour) , Preservative (Potassium sorbate) , Acid (Citric Acid) , Sweetener (Steviol glycosides)

Directions

It is recommended taking one vial a day on an empty stomach, preferably diluted with some water, milk or fruit juice.

Presentation

Contains 20 vials of 15 ml. Total weight: 300 ml (10.14 fl oz)

Warnings

Food supplement based on royal jelly and plants with sweetener.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of reach of smaller children. Store in a cool, dry place. Contains natural sweetener (steviol glycosides), extracted from the leaves of the *Stevia rebaudiana* Bertoni plant. It contains gluten.

Additional Information

Highest Quality Royal Jelly

The quantity of hydroxydecanoic acid (10-HDA) found in royal jelly determines its quality, as it conserves the jelly and maintains the properties of the jelly once it has been extracted. It has been established that good royal jelly should contain at least 3% of 10-HDA. Vitalpur® Vitality includes in its formulation royal jelly that has minimum 4-5% of 10-HDA.

Stevia sweetener

Stevia is a plant rich in glucosides, and 300 times sweeter than sugar. The glucosides from this plant

do not affect the levels of glucose in the blood.

Allergen Information

Gluten,
