

Natural Bronze 30 Softgels Drasanvi

SKU: 032050094 EAN13: 8436044513015

Description

Bronze Natural is a food supplement that is based on rosehip oil, rich in essential fatty acids. It also contains extracts of tomato, carrot and dunaliella algae, all rich in pigments such as lycopenes, beta-carotene and lutein. These capsules also contain a number of vitamins (vitamins A, E, C and B2), Vitamin E helps protect the cells against oxidation. Another important ingredient is the amino acid L-tyrosene, the precursor of melanin (the pigment responsible for the colour of the skin).

Ingredients

Caseing (Contains fish) (Fish gelatin, Glycerin, Cardurin Orange Ambar, Cardurin Silver Lustre) , Rosehip Oil (Seed) (Rosa Aff Rubiginosa) 170 mg, L-Tyrosene 100 mg, Sunflower oil (Seed) (Helianthus Annuus L.) 100 mg, Vitamin C (Ascorbic Acid 82,16%) 48,40 mg, Ferrous sulphate (Iron 32,94%) 21,25 mg, Tomato dry extract (Fruit) (Solanum lycopersicum L.) 18 mg, Carrot Dry Extract (Fruit) (Daucus Carota L.,) 18 mg, Tomato (Fruit) (Solanum lycopersicum L. Lycopene 6%) 18 mg, Dunaliella algae Dry Extrac (Dunaliella teodoresco L, 20% Beta-carotene) 18 mg, Lutein 16 mg, **Soya oil** (Contains soya) (Glycine max (L) Merr) 15 mg, Zinc sulphate (Zinc 36,44%) 13,72 mg, Vitamin E (D-alpha-tocopherol 67%) 8,95 mg, Anti-caking agent (Silicon dioxide) , Vitamin A (Retinyl palmitate) 1,34 mg, Vitamin B2 (Riboflavin) 0,7 mg, Chromium chloride (Chromium 19,5%) 0,11 mg

Directions

One softgel a day, before, during and after months of exposure to the sun. It is recommended to start a month before starting to sunbathe and extend consumption until a month later.

Presentation

Contains 30 softgels of 780 mg each. Total weight 23,4 g (0.82 oz)

Warnings

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Rosehip oil used as base

An important ingredient in Drasanvi's Bronze Natural is rosehip oil. This is extracted from the seeds of a woodland shrub from the rose family (*Rosa moschata* or *Rosa Rubiginosa*). This oil is rich in essential fatty acids (including omega 6, omega 3 and linoleic acid) and vitamins (retinol, vitamin C and vitamin E), and other important ingredients in this supplement.

The presence of the amino acid L-tyrosine

Tyrosine is one of the 20 amino acids that make proteins. Tyrosine is a precursor of important molecules such as dopamine, adrenaline, noradrenaline as well as substances such as melanin.

Large number of pigments

Drasanvi's Bronze Natural contains a large number of vegetable pigments. These pigments are beta-carotene (7,2 mg per capsule), which comes from carrots and from *Dunaliella* algae, lycopene from tomatoes, and lutein from safflower oil.
