

Green Coffee 60 Tablets Drasanvi

SKU: 032050112 EAN13: 8436044513282

Description

Green Coffee is a food supplement designed by Drasanvi, which provides all the nutritional benefits of coffee in its natural state, i.e. the benefits of coffee without having undergone the roasting and toasting processes. Therefore, it contains high levels of chlorogenic acid (around 50%), 400 mg per daily dose. Drasanvi's Green Coffee is low in caffeine.

Ingredients

Green coffee dry extract (*Coffea canephora robusta P*, 50% chlorogenic acid) 800 mg, Bulking agent (*Microcrystalline cellulose*)

, Bulking agent (*Magnesium salt of fatty acid* , Anti-caking agent (*Silicon Dioxide*)

Directions

Take two tablets per day divided into two of the main meals.

Presentation

Contains 60 tablets of 600 mg. Total weight: 36 g (1.26 oz)

Warnings

Contains caffeine (<40 mg per daily dose). Not recommended for children, during pregnancy or whilst breast-feeding. Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

High proportion of green coffee extract

Each tablet contains 400 mg of green coffee of the finest quality. The green coffee we use is added in dry extract form. This is a standardized extract ensuring uniform quality and effect over time.

Low levels of caffeine

The levels of caffeine present in green coffee are around 1-5%. This small amount never exceeds the OCU's (Organización de Consumidores y Usuarios) classification of a moderate amount.

Allergen Information

Allergen-free
