

Drain Plus 500 ml Drasanvi

SKU: 032050141 EAN13: 8436044514166

Description

Drain Plus is a food supplement that is based on the synergy of Red Cranberry dry extract (*Vaccinium macrocarpon*), also known as Cramberry, with Horsetail, Sarsaparilla, Dandelion, Passionflower, Bearberry and Artichoke . All these plants are in the form of dry extract, diluted in a pink grapefruit juice, providing a very refreshing flavour. In order to avoid add calories, we have incorporated sucralose as a sweetener. It is a substance derived from sucrose, but without the contribution of calories.

Ingredients

Water , Horsetail Dry Extract (*Flowering tops*) (*Equisetum Arvense L., Silicium 7%*) 700 mg, Sarsaparilla Dry Extract (*Root*) (*Smilax Aspera L., Polyphenols 10%*) 230 mg, Pink Grapefruit Juice 220 mg, Dandelion Dry Extract (*Root*) (*Taraxacum Officinale Weber, Flavonoids 2%*) 160 mg, Passionflower Dry Extract (*Flowering tops*) (*Passiflora Incarnata L., Flavonoids 4%*) 160 mg, Bearberry Dry Extract (*Leaf*) (*Arctostaphylos Uva-Ursi Sprengel Arbutin 10%*) 160 mg, Artichoke Dry Extract (*Leaf*) (*Cynara Scolymus L., Cynarin 2,5%*) 80 mg, Preservative (*Potassium Sorbate*) , Flavour (*Lemon Flavour*) , Cranberry Dry Extract (*Fruit*) (*Vaccinium Macrocarpon Ait., Proanthocyanidins 25%*) 22,8 mg, Acid (*Citric Acid*) , Sweetener (*Sucralose*)

Directions

Shake well before use. Take 20 ml at breakfast, using the measuring cup.

Presentation

500 ml bottle (17.5 fl oz)

Warnings

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Dry Extract Contribution

All plants used are in the form of dry extract, which means that they are more concentrated than using a pulverized plant. Besides, all plant extracts are standardized, that is, we know the richness of their active ingredients.

Sweetened with Sucralose

It is a substance 600 times sweeter than ordinary sugar. It is made from sugar, but unlike it, sucralose does not provide calories.

Allergen Information

Allergen-free
