

Charcoal 60 Capsules Nutrabasics Drasanvi

SKU: 032050148 EAN13: 8436044514036

Description

Vegetable Charcoal is not just a type of fuel. Charcoal has had many uses since very ancient times. For instance, the first recorded use of charcoal for medicinal purposes comes from Egyptian papyrus around 1500 B.C. The charcoal in our capsules is made from carbonized coconut shells. After carbonization, the charcoal is subsequently activated to increase its properties. The activation of the charcoal is carried out at high temperature in different gas atmospheres that influence pore development and pore size, which in turn increases adsorption capacity.

Ingredients

Activated Charcoal (*From the carbonization of coconut shells*) 600 mg, Casing (*Hydroxypropyl Methylcellulose*) , Bulking Agent (*Microcrystalline Cellulose*) , Bulking Agent (*Magnesium Stereate*) , Anti-Caking Agent (*Silicon Dioxide*)

Directions

Take one (1) capsule twice daily, 30 min after any of your main meals. Do not take with coffee, tea or wine.

Presentation

Contains 60 capsules, 466 mg each. Total weight: 27,96 g (0.99 oz)

Warnings

Food supplement based on charcoal.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Activated Charcoal from coconut shells

The vegetable charcoal in our capsules is made from carbonized coconut shells and is subsequently activated to increase its adsorption capacity.

Concentrated and easy to take doses

We look for formulas that are easy to take, concentrating in just one (1) dose an adequate amount of product.

Vegetable capsules

Our capsules are vegetable-based. They are manufactured from Hydroxypropyl Methylcellulose, which

is a product derived from plant cellulose. These capsules have been certified by the Vegetarian Society.

Allergen-free

We make every effort to ensure that our Activated Charcoal capsules are free of the most common allergens, in particular gluten.

Blister packs

Our Activated Charcoal capsules come in blister packs. Blister packs protect products against adverse external influences that may affect its quality or potency (such as mechanical damage and environmental factors like moisture or biological contamination), ensuring their composition for extended periods of time.
