

Vitamin E 30 Softgels Nutr basics Drasanvi

SKU: 032050167 EAN13: 8436044514371

Description

Vitamin E is a liposoluble vitamin, meaning that it dissolves in fats and oils. Vitamin E is found in many different foods, especially plant foods (spinach, broccoli, wheat germ and brewer's yeast). The EFSA (European Food Safety Authority) has approved the following health claim in relation to Vitamin E: Vitamin E contributes to the protection of cells from oxidative stress.

Ingredients

Natural Vitamin E (*D- alpha tocopherol*) 400 mg, Casing (*Gelatin and Glycerin*) , **Soyabean Oil**
(*Contains soya*)

Directions

Take one (1) softgel daily, preferably with meals.

Presentation

Contains 30 softgels, 662 mg each. Total weight: 19,56 g (0.69 oz)

Warnings

Food supplement based on vitamins.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Concentrated and easy to take doses

The use of concentrated and titrated oils allows us to provide the same dose in just one (1) capsule.

Allergen-free

We make every effort to ensure that our Vitamin E softgels are free of the most common allergens, except soy.

Blister packs

Our Vitamin E softgels come in blister packs. Blister packs protect products against adverse external influences that may affect its quality or potency (such as mechanical damage and environmental factors like moisture or biological contamination), ensuring their composition for extended periods of time
