

Coenzyme Q10 30 Capsules Nutrabasics Drasanvi

SKU: 032050281 EAN13: 8436044514340

Description

Coenzyme Q10, also known as Ubiquinone, is distributed throughout the body, being the pancreas, kidneys, liver and heart the organs with the highest concentration. Under normal conditions it is synthesized by the organism. However, sometimes food is needed to incorporate it.

Ingredients

Bulking Agent (*Microcrystalline cellulose*) , Casing (*Hydroxypropyl Methylcellulose*) , Bulking Agent (*Magnesium stearate*) , Coenzyme Q10 (*Ubiquinone*) 30 mg, Anti-caking Agent (*Silicon Dioxide*)

Directions

Take one capsule daily, preferably with meals.

Presentation

30 capsules of 426 mg. Total weight: 12,78 g (0.45 oz).

Warnings

Food supplement based on Coenzyme Q10.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Concentrated and easy-to-take dose

The use of concentrated and titrated capsules allows us to get the same dose in every capsule.

Allergen-free

Coenzyme Q10 capsules are manufactured to ensure they are free from the most common allergens.

Blister packs

Coenzyme Q10 capsules come in blister packs. Blister packs protect products against adverse external influences that may affect its quality or potency (such as mechanical damage and environmental factors like moisture or biological contamination), ensuring their composition for extended periods of time.
