

Garcinia Cambogia 60 Capsules Drasanvi

SKU: 032050289 EAN13: 8436044513572

Description

Garcinia cambogia is an ancient plant that grows in India. Our Drasanvi capsules contain standardised extract of the plant, providing a high concentration of the active ingredient hydroxycitric acid.

Ingredients

Garcinia Dry Extract (Fruit) (*Garcinia cambogia* L., hydroxycitric acid 60%) 600 mg, Casing (Hydroxypropyl Methylcellulose)

, Bulking agent (*Microcrystalline cellulose*) , Bulking agent (*Magnesium salt of fatty acid*) , Anti-caking agent (*Silicon dioxide*)

Directions

Take 2 capsules a day divided into two main meals. Take immediately before the meal with a large glass of water.

Presentation

Contains 60 capsules of 496 mg each.
Total weight: 30 g (1.05 oz)

Warnings

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Providing 360 mg per day of hydroxycitric acid

Our Drasanvi capsules contain 600 mg of dry extract 5:1, which is the equivalent of 3000 mg of the powdered form of the plant. Our rigorous analytical methods have enabled us to standardise these capsules, providing 360 mg per day of hydroxycitric acid. Hydroxycitric acid is similar to other citric acids contained in fruits like oranges, lemons and grapefruits.
