## Additional Information

---

**Combination of vitamins, minerals, amino acids and vegetable extracts**

Pure Emotion for Her is a food supplement that combines vitamins, vegetable extracts and amino acids such as L-Arginine.

**Vegetable extracts**

The plant extracts we use are standardized, i.e. we ensure that they contain adequate, uniform and constantly active amounts of active ingredients. But this is not the only advantage – the use of these extracts also helps reduce the daily dose and avoids the need of consuming a large number of capsules.
