## Additional Information

---

### Concentrate Daily Dose

The intake of fruits and vegetables as part of an overall diet may not be enough. Our Dry Extracts are highly concentrated and standardized in active ingredients that support weight management and control.

## Pleasant Taste

Despite the mix of vegetable extracts, our galenic formulation provides a very pleasant taste and can be taken alone.

## Triple Action

The ingredients in this formulation are combined for a triple action: appetite control, weight loss support and bowel transit improvement. Hence, this combination is ideal as coadjuvant in weight control strategies
