Conjugated Linoleic Acid, also known as CLA, is a type of Omega 6 Fatty Acid. Linoleic Acid contributes to the maintenance of normal blood cholesterol levels.

Ingredients

Conjugated Linoleic Acid (80 TG) 3.000 mg, Coating agent (Gelatin, Glycerin, Black Iron Oxide)

colouring and Red Iron Oxide colouring)

Directions

Take three (3) softgels daily, preferably with meals.

Presentation

Contains 90 softgels of 1.400 mg each.

Total Weight: 126 g (4.44 oz)

Warnings

Food supplement based on conjugated linoleic acid.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of little kids. Store in a cool, dry place.

Additional Information

Standardized Oils

One of the primary advantages of our formulation is the use of standardized extracts. Standardized extracts contain isolated, guaranteed amounts of plant active ingredients that remain constant over time, from batch to batch. Our pearls provide 2.400 mg of Conjugated Linoleic Acid, a constant daily amount.

Concentrated Easy-to-Take Doses

The use of concentrated and titrated oils provides the recommended dose in just three (3) softgels.

Free of Allergens

Our CLA pearls are manufactured in a manner to avoid contamination with the most common allergens, including gluten.

Allergen Information

Allergen-free
