SKU: 032050361 EAN13: 8436044518584

Description

Magnesium is an essential mineral required by the body. Inadequate intake of dietary Magnesium can lead to Magnesium deficiency. Magnesium deficiency is one of the nutritional factors influencing sports and may result in altered protein synthesis and muscle contraction as well as tiredness and fatigue. Magnesium is involved in more than 300 essential metabolic reactions throughout the body. Drasanvi has chosen the best source of Magnesium, Magnesium Citrate, which has a higher level of bioavailability than other Magnesium forms.
