

Oseogen Mobility 300 g Drasanvi

SKU: 032050369 EAN13: 8436044517266

Description

Oseogen Mobility is a unique nutritional supplement that incorporates in its composition nutrients like Marine Collagen, Chondroitin, Glucosamine Sulfate and Curcumin. Thanks to the presence of Turmeric, it helps to **relieve muscle and joint pain**. We have studies of bioavailability, which guarantee the assimilation of the product.

Ingredients

Pea protein (*Pisum sativum*) 4.833 mg, Calcium Citrate (*Calcium 21%*) 2.000 mg, Hydrolysed Marine Collagen

(Contains Fish) (Low molecular weight) 1.900 mg, Bulking agent (Maltodextrin) , Glucosamine HCL (Contains Crustaceans) (Sourced from Crustaceans) 1.500 mg, Flavour (Orange Flavour) , Magnesium carbonate (Magnesium 24%) 900 mg, Chondroitin sulfate (Contains Fish) (Marine origin) 500 mg, Turmeric root extract (Curcuma longa Vahl. with 6,25 mg/g of soluble Curcumin) 200 mg, Bromelain (Ananas comosus (L.) Merrill) 100 mg, Magnesium citrate (Magnesium 15,5%) 50 mg, Ferrous fumarate (Iron 32%) 44 mg, Vitamin C (Ascorbic acid) 30 mg, Vitamin B3 (Nicotinamide) 16 mg, Sweetener (Sucralose) , Vitamin B5 (Pantothenic acid) 6 mg, Vitamin B12 (Cyanocobalamin 0,1%) 2,50 mg, Vitamin D3 (Cholecalciferol 0,25%) 2 mg, Vitamin B6 (Pyridoxine Hydrochloride) 1,4 mg, Vitamin B2 (Riboflavin) 1,4 mg, Vitamin B1 (Thiamine Hydrochloride) 1,1 mg, Sodium selenite (Selenium 44%) 0,1 mg

Directions

Take two (2) measuring cups (15 g) diluted with water or juice, right after breakfast. It is recommended the use of this product for at least 5 months.

Presentation

Contains 300 g (10.58 oz)

Warnings

Food supplement based on glucosamine sulfate, chondroitin sulfate, marine collagen, vitamins and minerals.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of little kids. It should not be consumed by pregnant or lactating women, children or adolescents. Store in a cool, dry place. Contains a source of phenylalanine (not suitable for phenylketonurics). Contains crustaceans. Contains fish. **Do not consume simultaneously with anticoagulants.**

Additional Information

Hydrolysed Marine Collagen

Our Collagen is sourced from fish. According to one study published by the *Journal of Agricultural and Food Chemistry**, **Marine Collagen is more easily assimilated** by the body than Collagen from other sources, such as bovine or porcine Collagen. Our Collagen is hydrolysed. In other words, it has undergone enzymatic hydrolysis, a unique process in which enzymes facilitate the cleavage of Collagen into smaller molecules (peptides) that are more easily assimilated by the body. **Journal of Agricultural and Food Chemistry* 55(4) 1532-1535 (2007)

Calcium and Magnesium citrate

Oseogen® includes two essential minerals: Calcium and Magnesium, in their citrate form.

With bioavailable Turmeric

Turmeric is a plant with a wide range of **proven health benefits, including anti-inflammatory and joint pain benefits**. The problem is that Turmeric is not easily absorbed by the body. Therefore, we have selected a Turmeric Extract with a high percentage in soluble Curcumin, which has a **faster and more effective assimilation**. This claim is supported by studies analyzing multiple indicators such as absorption, action rate and permanence time in the blood stream. This is because a high percentage of soluble Curcumin is included, being this Curcumin more easily assimilated by the body.

Easy to dissolve, orange flavour

Oseogen® is easy to dissolve and has a pleasant orange flavour, making it easy for you to take it every day.

Nutrition Facts

per daily dose (15 g)

Ingredient	Percentage	Quantity
Calcium	52,5%	420 mg
Magnesium	98%	367,75 mg
Iron	100%	14 mg
Selenium	100%	55 µg
Vitamin C	37,5%	30 mg
Vitamin D	100%	5 µg
Vitamin B1	100%	1,1 mg

Vitamin B2	100%	1,4 mg
Vitamin B3	100%	16 mg
Vitamin B5	100%	6 mg
Vitamin B6	100%	1,4 mg
Vitamin B12	100%	2,5 µg
