SKU: 032050392 EAN13: 8436044519697

Description

Traditional phytotherapy can work wonders for many common health concerns. Our Onion Syrup brings together tradition and innovation. The soothing combination of honey, onion extract and mallow along with pine essential oil, not only relieves your sore throat but also helps you get through the winter months. We have also developed a version for children with wild berries' flavour. This way, your little ones' cough will no longer keep you up at night.
