

Iron Bisglycinate -Ferrochel- 90 Tablets Minerals Drasanvi

SKU: 032050453 EAN13: 8436578541300

Description

Iron is an essential mineral for life and related to numerous functions in the body. It can be responsible for extreme fatigue and related to the immune system among others. In many occasions the iron contributions have side effects on the organism, among which stomach discomfort and constipation are included. In order to minimize these problems we have chosen Iron Bisglycinate, from the Ferrochel brand, which studies indicate that these effects are minimized.

Ingredients

Bulking Agent (*Microcrystalline Cellulose*) , Iron Bisglycinate (*Iron 20%*) 100 mg, Bulking Agent (*Magnesium salt of fatty acid*) , Anti-caking agent (*Silicon Dioxide*)

Directions

Take 1 tablet daily with food.
