

Zinc Bisglycinate 90 Tablets Minerals Drasanvi

SKU: 032050454 EAN13: 8436578541317

Description

Zinc is an essential mineral for life and related to numerous functions in the body, from cognitive function to the maintenance of normal vision. However, we must choose a source of zinc with high bioavailability, for that reason we decided to add zinc in the form of Bisglycinate, which has been shown to be 43% more absorbed than other sources of zinc used as the gluconate.

Ingredients

Bulking Agent (*Microcrystalline Cellulose*) , Zinc Bisglycinate *Zinc 20%* 100 mg, Bulking Agent (*Magnesium salt of fatty acid*) , Anti-caking agent (*Silicon Dioxide*)

Directions

Take 1 tablet daily with food.

Presentation

Contains 90 tablets of 550 mg each. Net weight: 49,50 g (1.74 oz)

Warnings

Food supplement based on minerals.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of little kids. Store in a cool, dry place.

Additional Information

Mineralbisglycinate chelates increase bioavailability

Supplementing zinc in the form of zincbisglycinate improves its bioavailability. Several studies show that zincbisglycinate is 43% better absorbed than zinc gluconate. In addition, the absorption of zinc from zinc bisglycinate supplements does not depend on the intestinal pH.
