Vitamin D3 4000 IU 90 Tablets Vitamins Drasanvi

SKU: 032050458 **C.N:** 217312.5 **EAN13:** 8436578541355

Description

Vitamin D3 is a fat-soluble vitamin that our skin synthesizes when exposed to sunlight or through proper nutrition or supplementation. It affects our mood and our well-being as well as the health of bones and joints. To be able to dispose of it, it is necessary the correct contribution of Vitamin and the correct solar exposure. If we do not have any of the two sources we can develop a deficiency state.
