

CLA Conjugated Linoleic Acid 48 Softgels Nutrabasics Drasanvi

SKU: 032050515 EAN13: 8436044514241

Description

Conjugated Linoleic Acid, also known as CLA, is an Omega 6 series Fatty Acid. Linoleic Acid helps maintain normal blood cholesterol levels.

Ingredients

Conjugated Linoleic Acid (80 TG) 3.000 mg, Coating agent (Gelatin, glycerin, black iron oxide)

colouring and red iron oxide colouring)

Directions

Take three (3) softgels per day, preferably with the main meals.

Presentation

Bottle with 48 softgels of 1.400 mg. Total Weight: 67,2 g (2.36 oz).

Warnings

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of younger children. Store in a cool, dry place.

Additional Information

Standardized Oils

One of the most important advantages in our formulation is the use of standardized extracts, this means that the plant provides active ingredients (also called plant strength), constant over time. The amount of conjugated linoleic acid provided by our softgels is 2,400 mg per day.

Concentrated dose and easy to take

The use of concentrated and titrated oils allows us to obtain the same dose in three softgels.

Allergen Free

CLA Softgels are made so that there is no contamination with any of the most frequent allergens, among which we highlight gluten.

Allergen Information

Allergen-free
