

Cod Liver Oil 90 Softgels Nutrabasics Drasanvi

SKU: 032050517 EAN13: 8436578542833

Description

Its consumption is strongly linked in some cultures for its great properties. Drasanvi Cod Liver Oil softgels facilitate the taking, avoiding its strong and characteristic flavour. Cod Liver Oil is rich in Omega 3 fatty acids (EPA and DHA) and its contribution in Vitamin A and D is much higher than other fish oils. Thanks to its Vitamin E content, it contributes to the protection of cells against oxidative damage. The Cod Liver Oil that we have used has been extracted from Atlantic cod livers, steamed and pressed to extract the oil. The process complies with the most demanding controls of heavy metals and other contaminants.

Ingredients

Cod Liver Oil (*Contains fish*) 1.000 mg, Coating (*Gelatin and Glycerin*) , Vitamin E (*D-alpha tocopherol*) 20 mg
