Do not exceed the expressly recommended daily dose; Food supplements should not be used as a substitute for a balanced diet; Keep out of the reach of little kids. Store in a cool, dry place.

Additional Information

Standardized Oils

One of the most important advantages in our formulation is the use of standardized extracts, that is, the active ingredients it provides are constant over time. In case 540 Soya Lecithin softgels are titled: Phosphatidylcholine 56 mg, Phosphatidylethanolamine 54 mg, Phosphatidylinositol 48.6 mg and Phosphatidic Acid 14.58 mg.

Concentrated dose and easy to take

The use of concentrated and titrated oils allows us to obtain the same dose in only two capsules.

Allergen free

Soya Lecithin softgels are made so that there is no contamination with any of the most frequent allergens, except for soya.
