

Rosehip Oil 500 mg 60 Softgels Nutrabisics Drasanvi

SKU: 032050520 EAN13: 8436578542840

Description

Rosehip is a shrub provided with small fruits and an intense red color. These fruits are harvested at optimum maturation. They are carefully selected and then cold pressed. The result is a premium oil, rich in polyunsaturated essential fatty acids (Omega 3 and 6), and Vitamins A, C and E.

Ingredients

Rosehip Oil (Seed) (*Rosa Affinis Rubiginosa L.*) 500 mg, Coating Agent (*Gelatin and Glycerin*)

Directions

Take one (1) softgel per day, preferably with meals.

Presentation

Contains 60 softgels of 692 mg. Total

Weight: 41,52 g (1.46 oz)

Warnings

Food supplement based on plants.

Food supplements should not be used as a substitute for a balanced diet. Do not exceed the expressly recommended daily dose. Keep out of the reach of little kids. Store in a cool, dry place. Do not administer to pregnant women, lactating women, or children. It should not be used in case of hypersensitivity, allergies or other interactions with any of the ingredients of the formulation.

Additional Information

Oils extracted by cold pressure

Rosehip Oil is obtained by cold pressing, so it does not need to be refined to the same extent as that obtained by hot pressing. This results in a lower loss of vitamins A, C and E; and Polyunsaturated essential fatty acids (Omega 3 and 6), therefore it is richer in active substances.

Allergen free

Rosehip Oil Pearls are made so that there is no contamination with any of the most frequent allergens, among which we highlight gluten.
