

Vitalpur Defenses Vials 7x15 ml Drasanvi

SKU: 032050533 EAN13: 8436578543380

Description

Vitalpur® Defenses is a nutritional supplement providing 1.500 mg of royal jelly in a single dose. It is enhanced with substances that help maintain a healthy immune systems, such as zinc, copper and vitamin C. We have also added propolis, Echinacea and lactoferrin (a protein present in the mother's milk of mammals). Vitalpur® Defenses does not contain any added sugars, only natural sweetener (steviol glycosides) taken from the stevia rebaudiana bertonii plant.

Ingredients

Water , Royal jelly (4-5% 10 HDA) 1.500 mg, Propolis glycerine extract 150 mg, Flavour (Apricot Flavour) , Vitamin C (Ascorbic Acid) 80 mg, Echinacea purpurea dry extract (Root) (Echinacea purpurea, echinacoside 0,6%) 50 mg, Zinc gluconate (Zinc 28,6%) 35 mg, Preservative (Potassium sorbate) , **Lactoferrin** (Contains MILK) (Bovine origin) 25 mg, Acid (Citric Acid) , Copper gluconate (Copper 12%) 7 mg, Sweetener (Steviol glycoside)

Directions

It is recommended taking one vial on an empty stomach, preferably diluted with some water, milk or fruit juice. It is recommended taking this product every day, preferably with breakfast.

Presentation

Warnings

Food supplement based on royal jelly, plants, vitamins and minerals with sweetener.

Do not exceed the expressly recommended daily dose; Food supplements should not be used as a substitute for a balanced diet; Keep out of the reach of little kids. Store in a cool, dry place. With natural sweetener: steviol glycosides, extracted from the leaves of the Stevia rebaudiana Bertoni plant.

Additional Information

Highest Quality Royal Jelly

The quantity of hydroxydecanoic acid (10-HDA) found in royal jelly determines its quality, as it conserves the jelly and maintains the properties of the jelly once it has been extracted. It has been established that good royal jelly should contain at least 3% of 10-HDA. Vitalpur® Defenses is a royal jelly that has minimum 4-5% of 10-HDA.

Stevia sweetener

Stevia is a plant rich in glucosides, and 300 times sweeter than sugar. The glycosides from this plant do not affect the levels of glucose in the blood.

Enriched with lactoferrin

Vitalpur® Defenses is enriched with lactoferrin, a substance that is also known as lactotransferrin. Lactoferrin is a globular glycoprotein with a molecular weight of about 80 kDa and belongs to the transferrin family. It is found in breast milk of mammals, including humans. This is passed on from mother to baby, providing many important health benefits.
