

L-Glutamine Lemon 300 g Sport Live Drasanvi

SKU: 032050607 EAN13: 8436578544400

Description

L-Glutamine is a non-essential amino acid. That is, our body is able to synthesize it although, in certain situations, the body may need more and be dependent on the nutritional supply. L-Glutamine becomes part of various proteins, which are essential for our body: they become part of muscles or are part of the immune system. Our L-Glutamine is found in a free form, just like in our body. We use Glutamine from the Kyowa brand, a brand that combines quality and innovation in its manufacturing processes.

Ingredients

L-Glutamine Kyowa 8.699 mg, Aroma (*Lemon Flavour*), Sweetener (*Sucralose*), Colouring (*Beta-carotene*)

Directions

Take 5 g of L-Glutamine dissolved in 100 ml of water during breakfast and another 5 g after training. This intake is recommended for people of 80 Kg (increase the proportion according to body weight) * A level measuring scoop corresponds to 5 g.

Presentation

Contains 300 g (10.58 oz)

Warnings

Food supplement based on L-glutamine with sweetener.

Do not exceed the expressly recommended daily dose; Food supplements should not be used as a substitute for a balanced diet; Keep out of the reach of little kids. Store in a cool, dry place.

Additional Information

Glutamine in free form

It is important that it is in free form so that the body can take advantage of it directly.

Glutamine KYOWA

The Kyowa brand is a benchmark in amino acids, thanks to the union of quality and innovation in its manufacturing processes. Kyowa manufactures amino acids obtained through plant fermentation (instead of by laboratory synthesis or animal origin), so its Amino acids do not carry any chemical or synthetic products.

Suitable for vegetarians

El origen de la extracción de los aminoácidos y el uso de cápsulas vegetales hacen que este producto sea apto para vegetarianos y veganos.

Powder format

The powder presentation allows adjusting the dose to the needs of each person and each situation, thereby allowing the right amount to be consumed at all times.

Pleasant taste

Our L-Glutamine has a pleasant lemon flavor.

Free of allergens and other contaminants

Our production system and rigorous quality controls allow us to say that our product is free of any type of allergens and other contaminants. In this way we ensure the suitability of the product.

Doping-free

Our motto is a quality sport and a way of understanding healthy life. To do this, we fully comply with the labeling regulations. In addition, the strict quality controls to which our raw materials are subjected, as well as our processes, ensure us the safe use in the world of sports.
