Take one capsule a day, preferably **before physical exercise**.

Presentation

Contains 90 capsules of 820 mg. Total weight: 73,80 g (2.60 oz).

Warnings

Food supplement based on L-carnitine. Do not exceed the expressly recommended daily dose. Food supplements should not be used as a substitute for a balanced diet. Keep out of the reach of young children. Store in a cool, dry place.

Additional Information

L-Carnitine in free form

Drasanvi capsules contain L-carnitine in free form. In other words, it is not associated with other compounds, so it has a greater capacity for absorption and solubility. Drasanvi capsules provide 500 mg of L-Carnitine per capsule.

Vegetal capsules

The capsules used are of vegetal origin, specifically hydroxypropyl methylcellulose. These capsules are certified by the Vegetarian Society. Hydroxypropylmethylcellulose is obtained from the cellulose of various plant structures.

Gluten-free

L-Carnitine capsules are manufactured so that there is no contamination with any of the most common allergens, including gluten.

Allergen Information

Allergen-free
