

Vitamin E 90 Softgels Sport Live Drasanvi

SKU: 032050625 EAN13: 8436578544608

Description

Vitamin E is a fat-soluble vitamin. That is, it dissolves in fats and oils. Vitamin E is found in many foods, mainly of vegetable origin (spinach, broccoli, wheat germ and brewer's yeast). The EFSA (Food Safety Agency) has approved for the Vitamin E the following healthy property: it contributes to the protection of cells against oxidative damage.

Ingredients

Vitamin E Natural (*D-alpha tocopherol*) 400 mg, Coating Agent (*Gelatin and Glycerin*) , **Soya oil**
(*Contains soya*)

Directions

Take one softgel a day, preferably with food.

Presentation

Contains 90 softgels of 652 mg.
Total weight: 58,68 g (2.07 oz)

Warnings

Food supplement based on Vitamin E. Do not exceed the expressly recommended daily dose.
Food supplements should not be used as a substitute for a balanced diet. Keep out of the reach of younger children. Store in a cool, dry place. Contains soya.

Additional Information

Concentrated dose and easy to take

The use of concentrated and titled oils allow us to obtain the same dose in a softgel.

Allergen free

The Vitamin E softgels are made so that there is no contamination with any of the most frequent allergens, with the exception of soya.

Packaging in blisters

The Vitamin E softgels are presented in a container called blisters: The blisters protect the product from impacts and environmental effects, ensuring its composition over time. The use of these materials, compared to other presentations, protects it from moisture and microbial contamination.
