

# Melatonin Kids 1 mg Drops 50 ml Drasanvi

SKU: 032050670 EAN13: 8436578546152

## Description

Melatonin helps reduce the time it takes to fall asleep \*. Melatonin from Drasanvi, with 1 mg of pure melatonin per daily dose, is a food supplement, whose only active ingredient is melatonin. This substance is a hormone that is naturally secreted by the pituitary and regulated by the presence of light. This hormone is related to the control of the biological clock, sleep-wakefulness. Melatonin, traditionally, has been used to help alleviate the subjective feeling of jetlag.
