SKU: 032050689 EAN13: 8436578547395

## Description

Whey Protein with yoghurt strawberry flavour is a food supplement based on high purity proteins. This protein source comes from **whey isolate** obtained by microfiltration and ultrafiltration.

The quality of our protein allows us to obtain a product with a high concentration of proteins (close to 90%), extremely **low in carbohydrates and free of fats**.

Its high purity provides a large amount of **branched amino acids**, naturally present in protein, as well as other essential amino acids and minerals such as calcium and phosphorus.

In order to improve the quality of the product, we have added amino acids such as **Glutamine and Leucine**, and digestive enzymes that help assimilate proteins.
