

Eucalyptus Radiata Organic Essential Oil 10 ml Vitaroms Drasanvi

SKU: 032057064 EAN13: 8436578549443

Description

Eucalyptus plantations are often used to drain swampy areas due to their drying action on the soil. In the same way, taking into account the phytosociology of trees and plants, we can observe that the essential oil of eucalyptus radiata has a drying action on the humidity of our organism. Since ancient times, eucalyptus radiata leaf plasters have also been used to "dry the lungs" when congestion was noted.

Ingredients

Eucalyptus radiata essential oil*. *Eucalyptus radiata*, obtained by water vapour entrainment. 275 mg

Directions

Take 2 drops diluted in a tablespoon of honey or vegetable oil 3 times a day. **6 drops = 275 mg**
