

Apple Cider Vinegar 40 Gummies Siluet 360° Drasanvi

SKU: 032057251 EAN13: 8436601103406

Description

Apple cider vinegar contains yeasts and pectins that facilitate digestion, having a prebiotic effect that facilitates the generation of healthy bacteria in the intestinal tract. Likewise, acetic acid maintains the acidic pH of the stomach, keeping it in healthy conditions.

Drasanvi formulates a product in gummy format, which we can take easily and comfortably without being displeased by its taste, while protecting the dentin by not coming into direct contact with the acid.
