Directions

Take one capsule a day after breakfast with water.
We recommend taking this supplement during a period of 3 months, coinciding with seasonal changes.

Recommended daily dose: 1 capsule a day

Presentation

Contains 60 vegetable capsules of 836 mg. Total weight: 49,48 g (1.75 oz).

Warnings

Food supplement based on plants, vitamins, minerals and amino acids. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Do not exceed the expressly recommended daily dose. Keep out of the reach of little kids. Store in a cool, dry place. In case of simultaneous taking with anticoagulants, consult your doctor. It should not be consumed by pregnant or lactating women.

Additional Information

13 vitamins

Xplendor® includes 13 vitamins in careful dosages, giving you 100 % of the recommended daily amount. Hair is one of the first areas in our bodies where a deficit in vitamins can be noticed. An adequate intake of vitamin and minerals also contributes to the maintenance of skin in normal conditions.

Millet extract

Xplendor® includes vegetable extracts with various active ingredients, and one of these is millet extract. It is a nutritionally rich cereal and provides vegetable proteins, essential fatty acids, fibre and minerals such as phosphorus, magnesium, iron and a large number of micronutrients. This extract is used in its dry form, i.e. it is 5 times more concentrated than its powdered equivalent.

Vegetable capsules

These are vegetable capsules making them suitable for vegetarians and vegans.

Nutrition Facts

Per daily dose (1 capsule)

Ingredient	Percentage	Quantity
