

Collmar Essentials Beauty 60 Tablets Drasanvi

SKU: 032057435 EAN13: 8436601105370

Description

Introducing our innovative food supplement, a powerful formula that combines collagen, keratin, biotin, vitamin A, vitamin B6 and zinc, carefully selected to strengthen and beautify your hair, nails and skin from the inside out.

Collagen and keratin work in synergy to strengthen and revitalize hair, while biotin stimulates hair growth. Vitamins A and B6, along with zinc, promote radiant skin and strong nails. Discover the secret to looking healthy and vibrant with our trusted food supplement.

Ingredients

Enzymatically Hydrolyzed Marine Collagen (*CONTAINS FISH Type I, very low molecular weight*) 1000 mg, Bulking agent (*Microcrystalline cellulose*) , Hydrolyzed keratin 100 mg, Zinc Gluconate (*Zinc 13,22%*) 75,6 mg , Biotin (*D-Biotin*) 10 mg, Fatty acid magnesium salt , Vitamin A (*Retinol*) 6,7 mg, Vitamin B6 (*Pyridoxine hydrochloride*) 1,7 mg

Directions

Take 2 tablets a day accompanied by a glass of water, before breakfast.

Recommended duration: 3 months

Presentation

Contains 60 tablets of 900 mg. Total weight: 54 g (1.9 oz)

Warnings

Food supplement based on hydrolyzed marine collagen, keratin, vitamins and minerals.

Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Do not exceed the expressly recommended daily dose. Keep out of the reach of little kids. Store in a cool, dry place. Contains FISH.

Additional Information

Marine Collagen and the richness of Amino Acids

The Collagen used comes from fish. A recent study (J Agric Food Chem 55(4) 1532-1535 (2007)) has shown that **Marine Collagen is assimilated more easily than other sources** of Collagen, such as porcine. Collmar® has a high percentage of Glycine, Proline and Hydroxyproline (major amino acids of collagen) and essential amino acids.

Enzymatically Hydrolysed

Collmar® Marine Collagen has been subjected to a unique enzymatic hydrolysis process, which consists of fragmenting the Collagen into smaller molecules, called peptides, so that they are more easily assimilated by the body.

Free of terrestrial animals

All ingredients used (Marine Collagen and Hyaluronic Acid) do not come from land animals.

No sugar, no fat and no cholesterol.
