

# Collmar Beauty Cream 60 ml Drasanvi

**SKU:** 032060029 **EAN13:** 8436044513503

Description

This day and night cream combats wrinkles and supports cell repair. The ingredients are combined to fight against the signs of premature ageing, which include lack of firmness, wrinkles, expression lines and lack of hydration. From 30 years of age onwards the skin suffers a number of changes such a wrinkles, dehydration, loss of firmness and expression lines. All these changes are a consequence of the decrease in synthesis between collagen and our skin. The ingredients of this cream work together with the hydrolysed marine collagen to help combat this problem, improving the appearance of theskin.
