Alum Stone Deodorant 120 g Drasanvi

SKU: 032060032 **EAN13:** 8437006921794

Description

Alum stone is a mineral that works efficiently as a deodorant. Instead of covering up the odour with perfume, it destroys the bacteria that de-compose sweat and cause the bad smell. Upon getting rid the problem of the unpleasant odour its effect is long-lasting, allowing it to be felt for several hours.

INCI

Potassium alum

Directions

Wash and dry the deodorant upon use. It is essential that the deodorant is wet to be applied to the desired area. It can be used after shaving or waxing in order to reduce irritation.
