

Calendula Vegetable Oil Bio 50 ml Drasanvi

SKU: 032060046 EAN13: 8436044510229

Description

Drasanvi's Calendula organic oil comes from organic agriculture. The oil is obtained by oleomaceracion in vegetable oil, which transmits all its properties during the process. Our Calendula organic oil has fantastic ingredients, such as organic acids, salicylic acid, carotenoids and avonoids, all of which create an oil that is perfect for treating topical skin irritations, abrasions and redness, and can relieve discomfort caused by mild sunburn. The properties of Calendula oil include:

- Calendina and salicylic acids give this oil its balsamic properties. This is ideal for relieving sunburn, wounds, cuts and other skin irritations.

- It has antiseptic and healing properties, can relieve skin conditions and help heal wounds.
- Activates the metabolism for collagen and other proteins that make up the skin and help eliminate stretch marks.

INCI

Olea europaea oil*, Calendula officinalis extract* * from ecological agriculture.
