

Biotin and Aloe Vera Shampoo 1000 ml Drasanvi

SKU: 032060071 EAN13: 8436044512001

Description

Its richness in biotin and the synergy of other ingredients give the product the following properties:

- Nourishes: it provides the substances that your hair needs to grow strong and healthy.
- Protects: thanks to the proteins and amino acids that protect the hair against external aggressions.
- Brightens: the power of Aloe Vera penetrates the inside of the scalp to provide unmatched shine.
