

Sweet Almond Oil 250 ml Drasanvi

SKU: 032060584 EAN13: 8436044511707

Description

Sweet almond oil is an oil with a high amount of unsaturated fatty acids. It is, therefore, a highly nutritious product and an effective moisturiser. Due to its emollient properties this oil is suitable for all skin types, even for the most sensitive skins such as babies'.

INCI

Prunus Amygdalus Dulcis Oil.

Directions

Sweet Almond Oil is of topical application as a soothing or emollient. It is also used to combat dryness of the hair or to mix with other vegetable or essential oils. **Skin:** Apply directly to the skin (dry or wet) and massage lightly. **Hair:** Apply directly to the hair and massage gently. For the best effects leave for 15 minutes. Then rinse thoroughly. **Other uses:** It can be used as a base for other vegetable oils and essential oils.

Presentation

Contains 250 ml (8.75 fl oz)

Cosmetic Table

Component	Action	Effect
Almond oil	Provides essential fatty acids. Gives a protective film whilst retaining water molecules. High in Vitamin A and Vitamin E. Provides necessary nutrients for the hair.	Reduces wrinkles and stretch marks by providing the skin with the necessary nutrients. Hydrates and nourishes the skin. Helps fight inflammation and calms skin irritations. Perfect for scaly skin. Ideal for achieving healthy and shiny hair and getting the necessary nutrients.
