

Micellar Water 250 ml Drasanvi

SKU: 032060615 EAN13: 8436044518003

Description

THERMAL WATER: concentrated thermal water from the natural springs of Salies de Bearn. Rich in minerals and trace elements makes the formulation much softer protecting sensitive and delicate skins. Thanks to its formula it is ideal to remove makeup from the face, eyes and lips, as long as the makeup is not too heavy. It moisturizes, softens and refreshes our skin preparing it for later treatments (application of serums and creams).
