

Sun Protection Face Cream SPF30 Ecocert BIO 50 ml Bronze Drasanvi

SKU: 032060628 EAN13: 8436044519741

Description

Protective sunscreen of the U.V.A. rays and U.V.B. sunscreen. Drasanvi bio solar cream is formulated with Aloe Vera, Organic Almond Oil and Olive Oil. The extra virgin olive oil contained guarantees the skin elasticity, hydration and protection despite sun exposure. In addition, its high content of Vitamin E and carotenes maximise the olive oil effect providing an effective action on slowing down the skin aging process. Drasanvi has selected the Airless technology "Bag in Bottle" for this cosmetic. Thanks to this type of packaging, we avoid that the gel comes in contact with the air, preventing its oxidation and preserving the properties of its native ingredients.

INCI

Aqua (Water), Olea Europaea (Olive) Fruit Oil, Aloe Barbadensis Leaf Extract*, Caprylic/Capric Triglyceride, Propanediol, Titanium dioxide, Coco-Caprylate/Caprates, Prunus Amygdalus Dulcis (Sweet Almond) Oil*, Alumina, Polyglyceryl-2-Dipolyhydroxystearate, Stearic acid, Polyglyceryl-3-Diisostearate, Glycine Soja (Soybean) Oil, Glycerin, Tocopherol, Benzyl Alcohol, Salicylic Acid, Citric Acid, Beta-Sitosterol, Squalene, Sorbic Acid, Potassium Sorbate, Sodium Benzoate*

*** Ingredient from Organic Farming. 31,925 % of the total ingredients come from Organic Farming. 99 % of the total is of natural origin. COSMOS ORGANIC certified by Ecocert Greenlife according to the COSMOS standard (available in [http:// COSMOS.ecocert.com](http://COSMOS.ecocert.com))**

Directions

Apply, at least, 20 minutes before sunbathing and distribute evenly without leaving any areas without product. Regularly renew the application of the photoprotector, especially in case of prolonged exposure, after bathing with dry skin or having practised sport. Avoid prolonged exposure and the central hours of the day. Do not expose children and babies directly to the sun. Excess of sun on the skin can be a major health hazard.

Presentation

Contains 50 ml (1.69 fl oz)
