

CBD +3 Clay Mixture 140 g Drasanvi

SKU: 032060740 EAN13: 8436578548644

Description

Our CBD preparation and clay mixture is intended for intensive skin care and detoxification, soothing and cleansing the face and body.

Thanks to the benefits of its formula, based on the natural terpenes of hemp plants and other carabinoids combined with green clay, white clay and diatomaceous soil, we obtain a product suitable for sensitive and problematic skin. These clays, which were already widely used in ancient Egypt, contain trace elements and innumerable properties.

INCI

Aqua, Kaolin, Diatomaceous Earth, Illite, Hectorite, Cannabidiol, Methylpropanediol, Ethylhexylglycerin, Benzyl Alcohol, Xanthan Gum, Caprylhydroxamic Acid, Sodium Stearoyl Glutamate, Dehydroacetic Acid.

Directions

Apply a layer to the area to be treated. Wait at least 5-10 minutes until completely dry, then gently remove with the help of water.
