

Sweet Almond Organic Vegetable Oil Ecocert 50 ml Vitaroms Drasanvi

SKU: 032060773 C.N: 206802.5 EAN13: 8436601100443

Description

The almond tree has been present since the Middle Ages throughout the Mediterranean basin. Only the sweet variety is edible, as the bitter variety contains a very high and toxic level of hydrocyanic acid. Its fruit, the almond, is one of the most consumed worldwide.

Vitaroms almond vegetable oil is obtained by first cold pressing the ripe seeds of *Prunus amygdalus dulcis*. This ensures that all its components remain intact, providing great benefits to the body. It contains mainly vitamins A, D and E, as well as oleic acid (omega 9) and linoleic acid (omega 6). It is

an ideal oil for delicate skins, both in babies and the elderly, for irritations, external itching, cracks and massage.

INCI

Ingredients: Prunus amygdalus dulcis oil*, tocopherol.

***Ingredients from Organic Farming. *99,7% of the total ingredients are from Organic Agriculture.**

***100% of the total is of natural origin. COSMOS ORGANIC certified by Ecocert Greenlife according to the COSMOS standard available at <http://cosmos.ecocert.com>.**
