

Castor Oil Organic 100 ml Drasanvi

SKU: 032060820 EAN13: 8436601101785

Description

Castor oil is a vegetable oil obtained from the seed of the *Ricinus communis* plant.

This oil is rich in Vitamin E and fatty acids, which gives it moisturising power. But, above all, it is a great follicle stimulant, boosting both the growth and the volume and thickness of eyebrows, eyelashes and dry and/or damaged hair. Thanks to its properties, it can also be used on fragile nails.

INCI

Ricinus communis seed oil* *Ingredient from organic farming. 100% of natural origin. 100% of the total ingredients come from organic farming. COSMOS ORGANIC certified by Ecocert Greenlife according to the COSMOS standard available at <http://COSMOS.ecocert.com>.

Directions

For eyelashes: with clean skin and before going to sleep, add a little oil to our applicator and glide it from the roots to the tips. Don't forget to also use the product at the base of the lashes with the brush. Leave it on overnight and in the morning, wash your face with lukewarm water.

For eyebrows: apply in the same direction as the hair growth and, like the eyelashes, do not remove it until the next day.

For the skin: on clean, dry skin, apply a small amount of the oil to the desired area and massage until completely absorbed.

For hair: apply the oil to the hair from mid-lengths to ends and leave on for at least 15 minutes. If you want to boost hydration, cover with a cap.
